

WEF DOLLARS AT WORK

Congratulations to Woodville staff member Barbara Machaiek! Wakefield Educational Foundation (WEF) recently delivered a check to Ms. Machaiek that will benefit all Grade 2 students as part of WEF's 2011 Grant Program.

The Woodville Second Grade Team is developing a consistent Language Arts program that would meet the needs of their diverse learners. They will enhance their balanced literacy program by creating a multimedia resource library that includes a variety of genres (poetry, fiction, non-fiction, etc) and a variety of authors. The grant will be used to help purchase materials to target specific literacy strategies such as making connections, questioning, visualizing, inferring, summarizing, evaluating and synthesizing as well as organizational materials for easy access. These materials will be used during interactive read aloud sessions, shared reading times and at an independent listening center.
