Comments:

**Purpose:** to recognize those students, staff and volunteers who exemplify the core values of the Wakefield schools and have gone above and beyond in their effort and actions. These individuals show positive effort and attitude. We look to recognize the non-athletic accomplishments, including the daily contributions of “great kids” and, “great teachers”. We also wish to recognize community volunteers who are committed to public education in Wakefield and/or who exemplify strong citizenship through their significant contributions to Wakefield students outside the classroom.

Deadline for nominations: **Friday, March 9 2012**

*Please note: We ask that you use the enclosed Excel spreadsheet listing individuals who have received C.O.L. recognition within that last FIVE years. It is our policy, to ensure that we gather a diverse group of dedicated individuals from our community to recognize each year so please refrain from honoring these individuals for this upcoming celebration. Thank you!*
