

School Teachers Are Really Special

WEF S.T.A.R.S. PROGRAM
Sponsored by the
WAKEFIELD EDUCATIONAL FOUNDATION

The Wakefield Educational Foundation invites you to participate in the S.T.A.R.S. program. Through this program you can acknowledge those teachers and staff who have made a special contribution to your child's education. This is a great way to say "thank you" at the end of the school year!

S.T.A.R.S. (School Teachers Are Really Special) allows donors to contribute to the W.E.F. grant program while acknowledging a special teacher or staff person. When you make a donation, the honoree will receive a personalized card acknowledging that a gift was made by you in their honor (the amount is not mentioned). The card is printed on beautiful white linen stock embellished with silver foil. At the same time you are putting much-needed funds directly into the Wakefield Educational Foundation which underwrites the cost of special programs, equipment or services to enhance the learning experience for students at all grade levels. Since our inception in 1989, WEF has awarded over **\$150,000** in grants.

Simply fill out the form below and return it with your check payable to W.E.F., at P.O. Box 1752, Wakefield, MA 01880. If you have any questions, please call Beth Hendriks at 781-246-3969 or Mary Jennings at 781-246-4488.

ALL REQUESTS MUST BE RECEIVED BY Monday, April 30, 2012.

Please print legibly!

Name of teacher / honoree: _____

School: _____

Name of donor(s) to appear on gift card: _____

Amount of donation: _____

(A minimum \$10 per name is appreciated)

The Wakefield Educational Foundation is a Massachusetts incorporated, nonprofit, tax-exempt foundation. Its mission is to provide a vehicle for the community to acknowledge, support and promote academic excellence in the Wakefield Public Schools. Donations are tax deductible per the IRS determination, a copy of which is available upon request.
